

Ability Moves - Terms and Conditions (NDIS Supports)

NDIS Support Item

Ability Moves provides movement-based programs and classes delivered under the **NDIS support item 09_008_0116_6_3 - Innovative Community Participation**.

These supports are designed to assist NDIS participants to engage in inclusive, community-based activities that support physical capacity, emotional regulation, confidence, independence, and social and community participation, in line with individual NDIS plan goals.

Pricing Arrangements

The **NDIS Pricing Arrangements and Price Limits** list **Innovative Community Participation (09_008_0116_6_3)** as a **not price-controlled support**.

In accordance with NDIA guidance for supports that are not price-controlled:

- Pricing for these supports is **agreed between the provider and the participant** (or their nominee, plan manager, or support coordinator)
- Pricing must be **reasonable and necessary**
- Pricing must align with the participant's NDIS goals and the nature of the support provided
- Pricing is agreed **prior to service delivery**

Ability Moves determines pricing based on factors including, but not limited to:

- Staff qualifications, experience, and specialist skills
- Program design and delivery requirements

- Facilities, equipment, and accessibility considerations
- Group size, session duration, and level of support provided

Funding and Claims

NDIS funding may be used for Ability Moves programs where:

- The support aligns with the participant's approved NDIS plan goals
- Funding is available under **Innovative Community Participation**
- The service and pricing have been agreed in advance

Participants are responsible for confirming they have sufficient and appropriate funding available within their NDIS plan prior to engaging services.

Ability Moves will submit claims in line with:

- The agreed service agreement
- The participant's plan management arrangements
- The NDIS Pricing Arrangements and operational requirements

Agreement and Consent

By engaging Ability Moves services, participants acknowledge and agree that:

- Services are delivered under **Innovative Community Participation (09_008_0116_6_3)**
- Pricing has been discussed and agreed prior to service delivery
- Supports are provided as community-based, capacity-building activities
- Claims will be made in accordance with the agreed pricing and NDIS requirements

Changes to Services or Pricing

Ability Moves reserves the right to review pricing or service delivery arrangements as required.

Any changes will be communicated in advance and updated in the participant's service agreement where applicable.
